Standard Listing under Chapter 14 of the Listing Rules) and to trading on the
London Stock Exchange's Main Market
Notice of general meeting**

1. Introduction

On 5 February 2019, the Company announced the completion of the disposal of its core operating business and assets, for cash, to Planbox Limited ("**Disposal**"). As a result of the Disposal, the Company was classified as a cash shell pursuant to AIM Rule 15 and, as such, was required to make an acquisition or acquisitions which constitute a Reverse Takeover within six months of the date of the Disposal or its share would be suspended from trading.

On 6 August 2019, the Company's shares were suspended from trading as it had not completed a Reverse Takeover by that date. Pursuant to AIM Rule 41, the Company's shares remained suspended until 7 February 2020, whereupon the Company's admission to trading on AIM was cancelled.

On 27 September 2019, the Company announced that it had conditionally agreed to acquire the entire issued share capital of Supply@ME from the Sellers, the consideration for which is £224,478,000 to be satisfied by the allotment and issue to the Sellers of the Consideration Shares at the Issue Price. The Acquisition is conditional, *inter alia*, upon Admission and should it complete, the Enlarged Group will become an independent fintech company offering an innovative proprietary inventory monetisation service to companies in a wide range of industrial sectors.

The Company's current directors, having consulted with the Proposed Directors, consider it appropriate for the Enlarged Group to now apply for Admission to the Standard List segment of the Official List and to trading on the London Stock Exchange's Main Market.

The purpose of this letter is to: (i) explain the background to, and reasons for, the Acquisition and the Placing; (ii) explain why the Independent Director believes that the Acquisition is in the best interests of the Company and its Shareholders as a whole; (iii) set out the terms and conditions of the Placing; and (iv) to set out the

Directors' recommendations in favour of the Resolutions to be proposed at the General Meeting (see paragraph 20 of this Part I). In this respect, this document should be read in its entirety and you should not rely solely on the information summarised in this letter. Your attention, in particular, is drawn to the risk factors set out in the Prospectus which accompanies this document.

John Treacy, a director of the Company, is a member of the Concert Party, is therefore not considered to be Independent, is unable to participate in the recommendation in respect of the Whitewash Resolution and is not able to vote on Resolution 3. As a result, Simon Charles is the only independent Director and is solely responsible for recommending that Independent Shareholders vote in favour of the Whitewash Resolution.

As more fully described in paragraph 5 of this letter, the Company is undertaking the Placing, the net proceeds of which will be used predominantly to fund the development and growth of the Enlarged Group's business and ongoing corporate purposes.

Independent Shareholder approval is required under the Takeover Code to approve the waiver granted by the Panel of the obligation of the members of the Concert Party to make a mandatory offer for the entire issued share capital of the Company not already held by them as a result of the issue of Consideration Shares ("**Code Waiver**"). Following the completion of the Acquisition and the Placing, which includes the Vendor Placing by the Sellers, the Concert Party will in aggregate hold 24,422,037,715 Ordinary Shares representing 74.56 per cent. of the Enlarged Issued Share Capital of the Company. Without the Code Waiver, the issue of the Consideration Shares would require the Concert Party to make a general offer for the entire issued and to be issued share capital of the Company not already held by it. The Panel has agreed with the Company to grant such a Code waiver, subject to the passing at the General Meeting by Independent Shareholders (being Shareholders other than the members of the Concert Party) of the Whitewash Resolution, to be taken on poll.

Accordingly, a General Meeting of the Company is being convened at which Resolutions will be proposed, *inter alia*, to approve the Acquisition, the allotment and issue of the Consideration Shares, allotment and issue of the Placing Shares and the Code Waiver. The Resolutions are set out in full in the notice of General Meeting at the end of this document and are summarised in paragraph 18 of this Part I below.

In addition to the information contained in this document, your attention is drawn to the information set out in the Prospectus that accompanies this document which contains detailed information on the Company, Supply@ME and the Proposals. A copy of the Prospectus is available from the Company's website www.abalplc.com and from the offices of Marriott Harrison or Cairn.

2. Reasons for the Acquisition and the Enlarged Group's strategy

The Directors and Proposed Directors believe there is a strong and growing market for the provision of high quality specialist inventory financing services to a wide range of companies operating in different business sectors. The continuing shortage of reliable sources of funds for many companies often obliges such entities not to fully pursue their business and investment plan, while the current economic situation, characterised by stagnation and low inflation, reduces consumers' appetite for purchasing new products, increasing the quantity and value of stock held by companies which constrains working capital.

Supply@ME provides an innovative technology platform which enables corporate customers to monetise their inventory in a "true sale" transaction whilst retaining the ability to use that inventory in its business. Funding is provided to a SPV stock company from major funders, which in turn funds a subsidiary of that stock company which acquires the title to the inventory from a corporate customer enabling the corporate to derecognise the inventory from its balance sheet and monetise it, assisting its cash flow and gearing.

Through the Acquisition, Supply@ME will become a listed company. The listing will enhance the profile of the Enlarged Group and its activities, by being a profitable, listed, specialist provider in the sector with a strong balance sheet, the Enlarged Group is expected, *inter alia*, to:

- improve the standing of Supply@ME, with clients and employees, current and potential alike;
- assist in the recruitment and retention of appropriately skilled staff by offering attractive packages including participation in share option schemes enabling them to participate in the success of the Enlarged Group;

- have the ability to use the Enlarged Group's shares as a currency to acquire other businesses in the sector;
- provide shareholders with the potential to increase the value of their holdings and provide liquidity; and
- have access to equity capital markets to support future growth.

3. Terms and conditions of the Acquisition

On 27 September 2019, it was announced that the Acquisition Agreement had been entered into, pursuant to which the Sellers have conditionally agreed to sell, and the Company has conditionally agreed to purchase, the entire issued share capital of Supply@ME.

Under the terms of the Acquisition, the Company would pay £224,478,000 for the Acquisition to be satisfied by the issue of the 32,322,246,220 Consideration Shares. On issuance, the Consideration Shares would represent approximately 98.68 per cent. of the share capital of the Company following completion of the Acquisition and Placing. The Directors believe that the Acquisition is within the Company's strategy and is in a sector in which further acquisitions may be considered.

A summary of the principal terms and conditions of the Acquisition Agreement are set out in paragraph 6.2 of Part III of this document.

4. Summary financial information

Financial information relating to the Company is set out in Part II of this document and, in further detail, in the Prospectus (that accompanies this document) which also includes a pro forma balance sheet of the Enlarged Group immediately following completion of the Acquisition and Placing. Financial information relating to Supply@ME is also set out in the Prospectus.

5. The Placing

The Company has conditionally agreed (via the Broker as agent of the Company) to place 331,604,094 New Ordinary Shares at the Placing Price to raise approximately £2.2 million before expenses and approximately £1.4 million net of expenses. The Placing is not underwritten.

The Placing Shares have been made available to investment professionals and high net worth, sophisticated and institutional investors.

The Broker has received binding irrevocable Placing Letters from Placees in relation to the Placing Shares at the Placing Price under which each Placee who has subscribed for the Placing Shares under the Placing has irrevocably agreed to acquire Placing Shares allocated to them at the Placing Price conditional on Admission occurring and becoming effective by 8.00 a.m. on or prior to 31 March 2020. To the fullest extent permitted by law, each Placee is not entitled to exercise any remedy of rescission at any time.

In addition to the Placing, the Broker has agreed to assist the Sellers with the Vendor Placing, whereby the Sellers will sell a portion of their holdings immediately prior to issue of the Consideration Shares. The Vendor Placing does not directly affect the Company in terms of new funds being raised, however, it does reduce the number of shares held by the Sellers following Admission and provide for a greater spread of shareholders in the Company.

The Placing is conditional upon, amongst other things:

- the passing of resolutions 1,2 and 4 to 11 by Shareholders at the General Meeting;
- the passing of resolution 3 by Independent Shareholders at the General Meeting;
- the Placing Agreement becoming or being declared unconditional in all respects and not having been terminated in accordance with its terms before Admission; and
- Admission occurring no later than 8.00 a.m. on 31 March 2020.

The Placing Agreement contains certain warranties and an indemnity from the Company in favour of the Broker. Epsilon Capital is entitled, in certain circumstances, to terminate the Placing Agreement (and the arrangements associated with it) prior to Admission including in force majeure circumstances or for material breach of the warranties given by the Company in the Placing Agreement.

The Placing Shares will be credited as fully paid and will, on Admission, rank *pari passu* in all respects with all other Ordinary Shares then in issue, including the right to receive all dividends or other distributions declared, paid or made on or after Admission.

If any of the conditions are not satisfied (or waived), the Placing will not proceed and the Placing Shares will not be issued and all monies received from the Placees will be returned to them (at their own risk and without interest) as soon as possible thereafter.

Further details of the Placing Agreement are set out in paragraph 6.3 of Part III of this document.

Completion of the Placing will be announced via a regulatory news service on Admission, which is expected to take place at 8.00 a.m. on 23 March 2020.

At the Placing Price, the Company will have a market capitalisation of £221,341,540 on Admission.

6. Use of proceeds

The Company expects to receive net proceeds of approximately £1.4 million (after deducting estimated commissions and expenses of the Placing (including VAT) payable by the Company, which are currently expected to be approximately £0.8 million) from the issue of the Placing Shares.

The Net Proceeds will be deployed as follows:

- **aiming to be the best fintech inventory data monitoring business:** this means investing in these technology streams:
 - banking account integration;
 - due diligence/onboarding digitisation (trusted data environment, online simulators and external rating integration);
 - ERP full integration (firstly SAP, IBM, Oracle and Microsoft);
 - Internet of Things (smart cameras, RFID, other connected objects) integration for inventory off-site monitoring;
 - remarketing digital workplace (e-marketplace where a remarketer can monitor and place inventory purchase offers).
- **developing a multi-channel funding strategy:** this requires the setting up of marketing activities focused on:
 - *companies:* omni-customer strategy (edu-marketing initiatives, ERPs vendors partnership, social activities, web/online simulators development);
 - *funders:* diversifying the sources (securitisation notes, continuous road shows, commercial banks partnerships, partnerships with digital platforms); and
- **creating a highly scalable global business:** this implies the commencement of internal projects focused on:
 - *operations:* enhancement of a new internal governance functions directly;
 - *legal framework:* roll out of the current legal framework for new geographies.

7. The Takeover Code

The Company is subject to the Takeover Code and its Shareholders are entitled to the protections afforded by the Takeover Code and its provisions.

Under Rule 9, any person who acquires, whether by a single transaction or a series of transactions over a period of time, an interest (as defined in the Takeover Code) in shares which (taken together with shares in which persons acting in concert with him are interested) carry 30 per cent. or more of the voting rights of a company which is subject to the Takeover Code, is normally required to make a general offer to all the remaining shareholders to acquire their shares.

Rule 9 further provides that, *inter alia*, where any person who, together with persons acting in concert with him, is interested in shares which, in aggregate, carry not less than 30 per cent. of the voting rights of a company but does not hold shares carrying not more than 50 per cent. or more of such voting rights and such person, or any such person acting in concert with him, acquires an interest in additional shares which increase his percentage of shares carrying voting rights, such person is normally required to make a general offer to the remaining shareholders to acquire their shares.

Rule 9 also provides that, *inter alia*, where any person who, together with persons acting in concert with him, holds over 50 per cent. of the voting rights of a company, acquires any further shares carrying voting rights, then such person will not generally be required to make a general offer to the other shareholders to acquire the balance of their shares, although Rule 9 would remain applicable to individual members of a concert party who would not be able to increase their percentage interests in the voting rights of such company through or between a Rule 9 threshold without the consent of the Panel.

An offer under Rule 9 must be made in cash and at the highest price paid by the person required to make the offer, or any person acting in concert with him, for any interest in shares of the company in question during the 12 months prior to the announcement of the offer.

8. Information on the Concert Party

The Concert Party comprises certain of the Supply@Me shareholders. Information on the members of the Concert Party (including their future intentions for the Company) is contained in Part III of this document.

9. Rule 9 Waiver

Due to the consequences of the City Code (as further explained below), the Company requires the approval of Independent Shareholders to permit members of the Concert Party to receive the Ordinary Shares (the Consideration Shares) due under the terms of the Acquisition Agreement (which would, if such Ordinary Shares are issued, result in an increase of the Concert Party's shareholding to 50 per cent. and above) without triggering a mandatory offer to Shareholders under Rule 9 of the City Code.

Under Note 1 on the Dispensations from Rule 9, when the issue of new securities in consideration for an acquisition or a cash subscription would otherwise result in an obligation to make a general offer under Rule 9 of the City Code (the "**Rule 9 Offer**"), the Panel will normally waive the obligation if, *inter alia*, there is an independent vote at a shareholders' meeting taken on a poll.

The Company has applied to the Panel for a waiver of Rule 9 in order to permit the allotment and issue of the Consideration Shares to the Concert Party without triggering an obligation on the part of the Concert Party to make a Rule 9 Offer. The Panel has given approval for a waiver of Rule 9 that would otherwise require the Concert Party to make such an offer, subject to the approval of Resolution 3 by Independent Shareholders on a poll.

The Panel has agreed, subject to the Waiver Resolution being passed on a poll of the Independent Shareholders at the General Meeting, to waive the requirement which might otherwise arise for the members of the Concert Party (individually or collectively) to make a general offer under Rule 9 for the remaining shares in the Company as a result of the allotment and issue of the Consideration Shares. To be passed, Resolution 3 will require a simple majority of the votes cast on a poll by the Independent Shareholders. Accordingly, Shareholders should also be aware that, following completion of the Acquisition, the Concert Party will, between them, be interested in shares carrying more than 50 per cent. of such voting rights and will be able to increase its holding in the Company without incurring an obligation under Rule 9 to make a mandatory offer to the other Shareholders, although individual members of the Concert Party are not able to increase their individual interests in Ordinary Shares through or between a Rule 9 threshold without Panel consent.

If the Resolutions are approved at the General Meeting, the Concert Party will not be restricted from making an offer for the Company unless the Concert Party either makes a statement that it does not intend to make an offer or enters into an agreement with the Company not to make an offer. No such statement has been made or agreement entered into as at the date of this document.

Corporate Governance

The Company will, to the extent practicable for a company of its size and nature, follow the Corporate Governance Code, and will, immediately following Admission, establish a remuneration, a nomination and an audit committee, each with their own terms of reference, the members of which will be independent non-executive directors. The Directors and Proposed Directors are aware that there are currently certain provisions of the Corporate Governance Code that the Company is not in compliance with, given the size of the Company. These include, *inter alia*:

- the Company does not currently have separate remuneration, nomination and audit committees. The Board as a whole currently reviews the appointment of new members of the Board, their remuneration and the auditing requirements of the Company taking into account the interests of Shareholders and the performance of the Company.
- unless a further independent non-executive director is appointed, the Board will not comply with provision B.1.2. of the Corporate Governance Code that at least half of the Board, excluding the Chairman, should comprise non-executive directors determined by the Board to be independent.

The Company will report to its Shareholders on its compliance with the Corporate Governance Code in accordance with the Listing Rules on an ongoing basis.

The Company complies with its MAR compliant share dealing code and has adopted a list of matters reserved for the Board, a disclosure policy, insider lists and an anti-bribery policy.

The Articles are such so as to be appropriate for a Standard Listed company. Full details of the Company's Articles are set out in the Prospectus that accompanies this document.

Remuneration Committee

The Remuneration Committee will assist the Board in determining its responsibilities in relation to remuneration, including making recommendations to the Board on the Enlarged Group's policy on executive remuneration, including setting the over-arching principles, parameters and governance framework of the Enlarged Group's remuneration policy and determining the individual remuneration and benefits package of each of the executive Directors. The Remuneration Committee will also ensure compliance with the Corporate Governance Code in relation to remuneration wherever possible.

The Remuneration Committee will be chaired by Ms Chishti and its other member will be Mr Camerinelli. The Remuneration Committee will meet not less than once a year.

Nomination Committee

The Nomination Committee will be responsible, amongst other things, for reviewing the structure, size and composition of the Board and ensuring that it is comprised of the right balance of skills, knowledge and experience, identifying and nominating for approval candidates to fill any vacancies on the Board as and when they arise, giving full consideration to succession planning for the Enlarged Group and making recommendations as to the composition of the other committees of the Board. The Corporate Governance Code recommends that a majority of the members of a nomination committee should be independent non-executive directors. The Enlarged Group's Nomination Committee does not currently meet this requirement but is expected to in due course. The Nomination Committee will be chaired by Mr Camerinelli and its other member will be Ms Chishti. The Nomination Committee will meet at least twice a year.

Audit Committee

The Company will establish an Audit Committee with delegated duties and responsibilities. The Audit Committee will be responsible, amongst other things, for making recommendations to the Board on the appointment of auditors and the audit fee, monitoring and reviewing the integrity of the Company's financial statements and any formal announcements on the Company's financial performance as well as reports from the Company's auditors on those financial statements.

In addition, the Audit Committee will review the Company's internal financial control and risk management systems to assist the Board in fulfilling its responsibilities relating to the effectiveness of those systems, including an evaluation of the capabilities of such systems in light of the expected requirements for any specific acquisition target. As at the date of this document the Board has adopted a MAR compliant share dealing code. The Board is responsible for taking all proper and reasonable steps to ensure compliance with the code by the Directors and Proposed Directors and others to whom the code applies.

Bribery and corruption

The Company takes a zero-tolerance approach to bribery and corruption and has adopted an antibribery and corruption policy under which the Company is committed to conducting its business in a fair and ethical way without using bribes or corrupt practices to obtain unfair advantages in its business dealings and to implementing and enforcing effective systems to counter bribery and corruption.

Standard Listing

A Standard Listing offers less protection to Shareholders than would otherwise be the case with a Premium Listing on the Official List. Further details on the consequences of a Standard Listing are set out in the section entitled "Consequences of a Standard Listing" in the Prospectus.

11. Change of name

Subject to Shareholders' approval of Resolution 6 as a special resolution, the name of the Company will be changed to Supply@ME Capital plc to better reflect the operations of the Enlarged Group.

If the special resolution to approve the change of name of the Company is passed at the General Meeting, following the change of name being registered at Companies House the Company's symbol will be changed to SYME and its website address will be changed to www.supplyme.tech.

12. Admission to Standard Listed segment of the Official List and dealings in the Enlarged Share Capital

Application will be made for the Enlarged Share Capital to be admitted to the Standard listing segment of the Official List and to trading on the Main Market of the London Stock Exchange pursuant to Chapter 14 of the Listing Rules. It is expected that Admission will become effective and dealings in the Ordinary Shares will commence on 23 March 2020. No application has been or will be made for the deferred shares of the Company to be admitted to trading on any stock exchange.

The Sellers have undertaken to the Company that for a period of 24 months following Admission they will only dispose of any interest they hold in Ordinary Shares on an orderly market basis, being through the Company's then broker.

14. Dividend policy

The Directors and Proposed Directors believe that the Enlarged Group should seek principally to generate capital growth for its Shareholders but may recommend dividends at some future date, depending upon the generation of sustainable profits, if and when it becomes commercially prudent to do so, subject to having distributable reserves available for the purpose. There can be no assurance that the Company will declare and pay, or have the ability to declare and pay, any dividends in the future.

15. CREST

CREST is a paperless settlement system enabling securities to be evidenced otherwise than by a certificate and transferred otherwise than by written instrument in accordance with the CREST Regulations.

The New Ordinary Shares will be eligible for CREST settlement. Accordingly, following Admission, settlement of transactions in the New Ordinary Shares may take place within the CREST system if a Shareholder so wishes. CREST is a voluntary system and Shareholders who wish to receive and retain share certificates are able to do so.

For more information concerning CREST, Shareholders should contact their stockbroker or Euroclear at 33 Cannon Street, London EC4M 5SB or by telephone on +44 (0) 20 7849 0000.

16. Bribery Act 2010

The government of the United Kingdom has issued guidelines setting out appropriate procedures for companies to follow to ensure that they are compliant with the UK Bribery Act 2010 which came into force with effect from 1 July 2011. The Company has implemented an anti-bribery policy as adopted by the Board and also implemented appropriate procedures to ensure that the Directors, Proposed Directors, employees and consultants comply with the terms of the legislation.

17. Further information

In addition to this document, Shareholders should read the whole of the Prospectus, which provides additional information on the Company, Supply@ME and the Transaction, and should not rely on summaries of, or individual parts only of, this document.

18. General meeting

At the end of this document you will find a notice convening a General Meeting, which is to be held at the offices of Marriott Harrison LLP, 11 Staple Inn, London WC1V 7QH on 20 March 2020 at 11.00am. A summary of the action you should take is set out in paragraph 19 of this Part I (*Letter from the Chairman*) and in the Form of Proxy that accompanies this document.

The purpose of the General Meeting is to consider and, if thought fit, pass the Resolutions, in each case as set out in full in the notice of General Meeting. - Resolution 1:** to approve the Acquisition;
- Resolution 2:** to authorise the Directors to allot and issue the Consideration Shares and the Placing Shares and other Ordinary Shares;
- Resolution 3:** (which will be taken on a poll of Independent Shareholders present and by proxy voting at the Meeting) to approve the Code Waiver and any obligation which might otherwise arise under Rule 9 of the City Code for the Concert Party to make a general offer for the Company as a result of the issue of the Consideration Shares to the Concert Party (Shareholders should note that members of the Concert Party will not be able to vote on this Resolution 3);
- Resolution 4:** to appoint Mr. Alessandro Zamboni as a director of the Company;
- Resolution 5:** to appoint Mr. Dominic White as a director of the Company;
- Resolution 6:** to appoint Ms. Susanne Chishti as a director of the Company;

19. Action to be taken

A Form of Proxy is enclosed for use by Shareholders at the General Meeting. Whether or not Shareholders intend to be present at the General Meeting, they are asked to complete, sign and return the Form of Proxy by post or by hand in accordance with the instructions printed therein so as to be received as soon as possible by the Company's registrars, **Neville Registrars Limited, Neville House, Steelpark Road, Halesowen, West Midlands B62 8HD** but in any event so as to arrive no later than 48 hours before the General Meeting. The completion and return of a Form of Proxy will not preclude a Shareholder from attending the General Meeting and voting in person should he or she wish to do so.

The Company's shares were admitted to trading on AIM until 7 February 2020 whereupon their admission was cancelled. If the relevant Shareholders do not vote in favour of the Transaction then the Directors will be forced to consider alternative options for the Company. **Unless funding can be arranged, which cannot be assured, the Company would be placed into liquidation.**

20. Recommendation

The Board (apart from Mr. John Treacy who is a member of the Concert Party and is therefore not deemed to be independent), which has been so advised by Cairn in respect of the financial terms of the Proposals, consider that the Proposals are fair and reasonable and in the best interests of the Company and its Independent Shareholders as a whole. In providing advice to the Independent Director, Cairn has taken into account the commercial assessment of the Independent Director.

Accordingly, the Independent Director recommends that you vote in favour of the Resolutions as he intends to do so in respect of his aggregate beneficial holding of 272,018 Ordinary Shares, representing 0.25 per cent. of the total number of issued shares in the Company.

Yours faithfully,

Simon Charles
Chairman of the Board

The Concert Party

Under the Takeover Code, a concert party arises, *inter alia*, when persons who, pursuant to an agreement or understanding (whether formal or informal), co-operate, to obtain or consolidate control of that company. Under the Takeover Code, control means an interest, or interests, in shares carrying in aggregate 30 per cent. or more of the voting rights of a company, irrespective of whether such interest or interests give de facto control. In this context, voting rights means all the voting rights attributable to the capital of the company which are currently exercisable at a general meeting. The Takeover Code also states that, directors of a company will be presumed to be acting in concert with the company of which they are a director.

The Concert Party comprises certain Supply@Me shareholders and other connected parties. As at the date of this document, members of the Concert Party hold 22,256,725 Existing Ordinary Shares representing 22.02 per cent. of the Existing Share Capital.

The members of the Concert Party will not be restricted from making an offer for the Company in the event that the Waiver Resolution is passed. Further details of the members of the Concert Party are set out below.

The Whitewash Resolution is to seek approval from Independent Shareholders for the issue of the Consideration Shares to the Concert Party which will, in aggregate, result in the Concert Party being

issued with 24,399,780,990 Ordinary Shares in the Company representing 74.49 per cent. of the Enlarged Share Capital.

The maximum controlling position of the Concert Party, as set out below, is 24,429,310,443 Ordinary Shares representing 74.56 per cent. of the Enlarged Share Capital. This is based on the following assumptions:

The following are all of the contracts (not being contracts entered into in the ordinary course of business) that have been entered into by the Company during the period of two years ending on the date of this document which: (i) are, or may be, material to the Company; or (ii) contain obligations or entitlements which are, or may be, material to the Company as at the date of this document.

6.1 Disposal Agreement

On 9 January 2019, the Company entered into an asset purchase agreement with Planbox Limited, a company incorporated and registered in England and Wales with company number 11725320 whose registered office is at 22 Great James Street, London WC1N 3ES, acting as buyer, and Planbox Inc., a company incorporated and registered in Quebec, Canada with company number 1148744114 whose registered office at 750-3090 Le Carrefour Laval, Montreal, Quebec H7T2J7, acting as buyer's guarantor (the "Disposal Agreement") in order to sell its business and certain assets, including its name, associated domain names and trademarks and its trading assets, (being the whole business of the Company).

The Company undertook to transfer its business of developing and providing marketing innovation software which included the following assets: goodwill, movable assets, benefit of business contracts, business information, records, business intellectual property rights, third party rights, account receivables and prepayments, cash, subsidiary assets, any other assets, property or rights of the Company relating to its business.

The consideration for the sale was US dollars 1,700,000, payable on completion of the sale, and an amount of up to a further US dollars 800,000 upon satisfaction of certain conditions.

6.2 Acquisition Agreement

On 27 September 2019, the Company entered into a conditional share purchase agreement for the acquisition of 100 per cent. of the issued corporate capital of Supply@ME (the "Acquisition Agreement").

The Acquisition Agreement is conditional, *inter alia*, on the passing of the Resolutions and the Placing Agreement not having been terminated and Admission. If the conditions are not satisfied by 31 March 2020 or such later date not being later than 31 March 2020, then the Acquisition Agreement will terminate automatically.

The consideration for the Acquisition will be £224,478,000, to be satisfied by the issue of 32,322,246,220 Consideration Shares, representing approximately 99.69 per cent. of the Enlarged Share Capital immediately following Admission.

The Acquisition Agreement obliges the Sellers to procure that Supply@ME does not take certain actions between the date of the Acquisition Agreement and its completion without the prior written consent of the Company. These include prohibition of Supply@ME carrying on business other than in the ordinary course, incurring material expenditure or taking steps likely adversely to affect Supply@ME or the value of its quotas.

The Acquisition Agreement includes customary warranties relating to Supply@ME and the quota to be purchased by the Company given by the Sellers. The Sellers have also entered into a customary tax covenant in favour of the Company.

Claims under the Acquisition Agreement are subject to certain financial, time and other limitations. The threshold to be exceeded in respect of the aggregate amount of all warranty claims is £15,000 and an amount equal to 3.5 per cent. of the purchase price, in which case the Sellers and/or the Company (as the case may be) shall be liable for the whole amount claimed and not only the excess.

The limitation period in respect of warranty and indemnity claims under the Acquisition Agreement expires two years following completion of the Acquisition in the case of the general warranties and ten years following completion of the Acquisition in the case of a claim under the tax warranties and/or tax covenant given by the Sellers. The overall cap and aggregate liability of the Sellers in respect of claims under the Acquisition Agreement will not exceed 35 per cent. of the purchase price and the overall cap and aggregate liability of the Company in respect of claims under the Acquisition Agreement will also not exceed 35 per cent. of the purchase price.

At the election of the Company, any claims under the Acquisition Agreement may be satisfied either in cash or (subject to the provisions of the Companies Act) by the sale back to the Company of the appropriate number of the relevant Seller's Consideration Shares at the price per share at which they are deemed to be issued for the purpose of the Acquisition (*i.e.* the Issue Price) (such price being set

off in full against the claim liability) or by redesignating such number of Consideration Shares into new deferred shares in the share capital of the same Company as is equal to the liability owed to the Company. The maximum aggregate liability of the Sellers under the Acquisition Agreement can therefore potentially be fully satisfied by the sale back or by the redesignation of all such Seller's Ordinary Shares.

The Acquisition Agreement is governed by the laws of England and Wales. Any dispute which may arise out of, or in connection with, or in relation to, as the case may be, the Acquisition Agreement, including any question regarding its existence, validity or termination, shall be referred to and finally resolved by arbitration under the LCIA Rules. The number of arbitrators shall be three. The seat, or legal place, of arbitration shall be London. The language to be used in the arbitral proceedings shall be English.
