### **Supply@ME Capital plc**

(The "Company" or "SYME")

#### **Restoration of Listing and Resumption of Trading**

Following confirmation from the Financial Conduct Authority, received earlier today, the Company is pleased to announce the restoration of its Listing on the Standard List of The London Stock Exchange and the resumption of dealings in its Ordinary shares.

SYME also confirms that it will be issuing a Trading Update to the market before the end of this month.

#### **Notes**

Supply@ME enables businesses to generate cashflow, without incurring debt, by monetising their existing stock. Before a business has found an end-customer for its inventory, the Supply@ME platform enables them to sell ("monetise") their stock and receive cash immediately to boost their working capital. The Supply@ME service enables strong companies to improve their working capital cycle. SYME does not monetise inventory for companies in financial difficulty or with inventory that they are struggling to sell.
