#### **Posting of 2020 AGM Qs&As**

Supply@ME Capital plc, the innovative fintech company which provides an Inventory Monetisation© platform to manufacturing and trading companies, is pleased to announce that replies to all questions submitted by investors during the Company's recent 2020 Annual General Meeting held online via the Investor Meet Company Platform, have today been published on the Platform and are available via the following link:

They are also available on the Company's website at [www.supplymecapital.com](http://www.supplymecapital.com)

#### **Notes**

The Company's innovative fintech platform enables businesses to generate cashflow, via a non-credit approach and without incurring debt. This is through the Global Inventory Monetisation monetising existing stock of creditworthy companies, which is intended to be sold to end-customers or through monetisation of goods and or commodities as part of a typical import/ export transaction. The Fund does not target monetisation of inventories owned by companies in financial distress or otherwise seeking to monetise illiquid inventories.
