Supply@ME Capital plc
(The "Company" or "SYME")

Annual General Meeting: - Correction

Further to the announcement made on 6 June 2022 giving notice of the Annual General Meeting (the "AGM") of the Company to be held on 30 June 2022, and the publication of the Notice of AGM to shareholders (the "Notice"), the Company notes that, due to a clerical error, the number of the AGM venue was incorrectly stated in the Notice as "2 Pancras Square " instead of "3 Pancras Square ".

The 2022 Annual General Meeting of the Company will be held at the offices of Cicero/AMO, The HKX Building, 3 Pancras Square, London, N1C 4AG on Thursday 30 June 2022 at 11.00 a.m. (the "AGM").

As this is a clerical error, the AGM Notice has been corrected and will be published on the Company website and a letter will be sent to shareholders.

Notes

Supply@ME Capital PLC and its operating subsidiaries (together the "Group") provide an innovative fintech platform (the "Platform") for use by manufacturing and trading companies to access inventory trade solutions enabling their businesses to generate cashflow, via a non-credit approach and without incurring debt. This is achieved by their existing eligible inventory being added to the Platform and then monetised via purchase by third party Inventory Funders. The inventory to be monetised can include warehouse goods waiting to be sold to end-customers or goods/commodities that are part of a typical import/export transaction. SYME announced in August 2021 the launch of a global Inventory Monetisation programme which will be focused on both inventory in transit monetisation and warehouse goods monetisation. This program will be focused on creditworthy companies and not those in distress or otherwise seeking to monetise illiquid inventories.
