### **Appointment of new auditor**

SYME, the fintech business which provides an innovative fintech platform (the "**Platform**") for use by manufacturing and trading companies to access Inventory Monetisation© ("**IM**") solutions enabling their businesses to generate cashflow, is pleased to announce the appointment of Bright Grahame Murray as the Company's new auditor, with immediate effect, for the year ended 31 December 2024.

The appointment of Bright Grahame Murray follows the resignation of the Company's previous auditor, Crowe U.K. LLP as announced by the Company on 25 September 2024.

The shareholders will be asked to consider re-appointment of Bright Grahame Murray at the next Annual General Meeting.

For the purposes of UK MAR, the person responsible for arranging release of this announcement on behalf of SYME is Alessandro Zamboni, CEO.

### **Notes**

SYME and its operating subsidiaries provide its Platform for use by manufacturing and trading companies to access inventory trade solutions enabling their businesses to generate cashflow, via a non-credit approach and without incurring debt. This is achieved by their existing eligible inventory being added to the Platform and then monetised via purchase by third party Inventory Funders. The inventory to be monetised can include warehoused goods waiting to be sold to end-customers or goods that are part of a typical import/export transaction.
